Allpro Computer Training Signup Sheet

Our Computer Basics course is divided into four different training sessions which take place over a four week period. For example, if you sign up for classes that start on Tuesday August 3rd at 4:00pm, your next three classes will be held on Tuesday August 10th at 4:00pm, Tuesday August 17th at 4:00pm, and Tuesday August 24th at 4:00pm. Each training session is 1.5 hours long. The first hour will be lesson based and the last half hour will provide time for you to ask specific questions about things you need assistance with.

All courses are scheduled for a group of five. In order to sign up for the training course you will need to have a group of five people who would like to take the course. This ensures our class will be full and you will have the comfort of taking the class with friends and family. With a small class size of people you are comfortable with we guarantee you will get the most out of your training investment.

We will start offering classes **Tuesday August 3rd, 2010** but we are currently offering discounts if you sign up in advance. The complete course usually costs \$120 per person (\$30 per session) but if you sign up **before August 31st, 2010** we are offering our Computer Basics course **for only \$80 per person** (\$20 per session). A \$20 per person deposit is due when you sign up and the remaining \$60 per person balance is due when you arrive for your first class.

We offer a very flexible training schedule with both courses in the afternoons and evenings. Classes will be offered on Tuesdays, Wednesdays, and Thursdays. On each of these days we offer an afternoon class from 4:00pm - 5:30pm and evening class from 6:00pm - 7:30pm. If you have a group of five who are interested but cannot work with the time slots listed above please call for special scheduling.

Please call (231) 839-7928 for class availability before completing this form. [Date Scheduled: _____]

Please list all five people in your group that will be taking the Allpro Computer Basics class with you.
